This stuff really works

Reviewed in the United States on October 9, 2023

I've used this ground cover/ weed killer previously so that's why I ordered it again. It does what it says. I have a brick patio that weeds like to grow between the cracks. I sprayed this on and by the next day clean up of those weeds was simple. Plus the weeds did not grow for many months.

Great to keep weeds in control but many plants are very sensitive to it

Reviewed in the United States on September 12, 2020

Verified Purchase

I like it helps to keep weeds in control on my driveway, sidewalk curbs. But some plants are very sensitive to it like pine trees, edge bushes. So I don't spray near to them like 2ft away.

It will kill your lawn if you're not careful

Reviewed in the United States on August 7, 2020

While easy to use especially if you have the battery powered spray wand. It doesn't kill the big vegetation in six hours as indicated. For some weeds a second application is required.

Great Value but Slow to Kill Vegetation

Reviewed in the United States on June 22, 2019

Verified Purchase

For the money, this is a good product but like I said, a bit slow to work. Now whether or not it works for a full year is something I'll have to wait to find out.

Not really a concentrate. Use right out of the bottle. No 2oz per gallon or anything like that.

Love this stuff!

Reviewed in the United States on February 8, 2020

Verified Purchase

I had thousands of baby weeds pop up in my yard a few weeks ago. I sprayed Ground Clear and now I don't have any, and if it works the way it usually does I won't have to worry about weeds for the next six to nine months.
